FORM 990PF, PART XV- NAME, ADDRESS & PHONE FOR APPLICATIONS

The foundation's program staff conducts extensive research to identify gaps or needs that the foundation can address in the fields it supports. Typically, this research leads to the development of a grant "initiative," which supports a set of related grants that advance a specific goal or objective.

Once an initiative is developed, grants are awarded in a variety of ways, including foundation-initiated invitations to apply, re-granting competitions that are administered by service organizations, and competitions that are run using request-for-proposal processes. Occasionally, the foundation also supports opportunistic grants that are more broadly related to the programs' missions.

Unsolicited letters of inquiry should be addressed to:

Office of Grants Administration
Doris Duke Charitable Foundation
650 Fifth Avenue, 19th Floor
New York, NY 10019

Letters should succinctly describe an organization's mission and strategy and briefly outline how the objectives of its proposed project relate to those of the foundation.

The staff requests that organizations do not send binders, books, CDs, videotapes or audiotapes. Due to time and space constraints, such materials generally will not be reviewed or retained.

Staff will respond to letters of inquiry within two months and will notify the writer if additional information is desired. However, the staff also respectfully cautions that very few grants result from unsolicited letters of inquiry.

Mrs. Joan Spero
President
Doris Duke Charitable Foundation
650 Fifth Avenue, 19th Floor
New York, New York 10019

Dear Mrs. Spero:

In 2007, the Doris Duke Charitable Foundation ("DDCF") made grants totaling \$2,388,750 to the Newport Restoration Foundation ("NRF") in support of Rough Point. By a letter dated August 15, 2008, I agreed on behalf of NRF to submit certain reports to DDCF for each year during which any grant funds remained unspent and a final report for the year in which all of the grant funds were spent. This is a report covering the portion of the grant funds spent in 2007.

Name and address of grantee:

Newport Restoration Foundation
51 Touro Street
Newport, Rhode Island 02840

Purpose of Grants:

To be used for Rough Point's general operating expenses. The Rough Point Property owned by NRF is used for a charitable purpose since it is a historic house, which is open to the public.

The following table contains the date of payment of each grant, the amount of the grant, and a description of how the grant was spent by NRF:

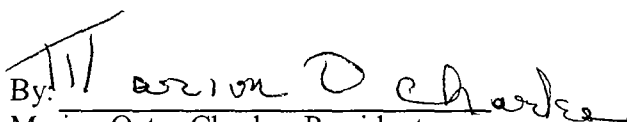

<u>Date of Payment</u>	<u>Amount of Grant</u>	<u>Purpose for which Grant was Used</u>
1/12/07	\$597,188	Employee Related Expenses; General Operating Expenses; General Administrative Expenses and Capital Expenses
3/12/07	\$597,188	“ “
6/11/07	\$597,187	“ “
9/17/07	\$597,187	“ “

All of the grant funds have been spent for Rough Point's general operating expenses, and no portion of the grant funds has been diverted from such purpose.

In addition, in the letter dated August 15, 2008, I represented that before the end of 2007 NRF would make a qualifying distribution out of corpus as defined in Section 4942 of the Internal Revenue Code, in the amount of \$2,388,750 and that I would provide DDCF with adequate records or other sufficient evidence to demonstrate that this distribution has been made.

As described above, \$2,388,750 of the grant funds were spent for reasonable and necessary administration expenses to accomplish NRF's charitable purposes, which are qualifying distributions. Therefore, a qualifying distribution was made of \$2,388,750 of the grant funds in 2007. Since NRF has otherwise made qualifying distributions equal to the amount of its minimum investment return, this distribution would be treated as a distribution out of corpus if NRF were not a private operating foundation. NRF will make a qualifying distribution out of corpus of the balance of the grant funds in 2008.

Very truly yours,
Newport Restoration Foundation

Dear Mrs Charles

The Doris Duke Charitable Foundation has made grants to the Newport Restoration Foundation in 2007 totaling \$2,388,750 to be used for Rough Point's general operating expenses (referred to collectively as the "Grant") Because the Newport Restoration Foundation is a private foundation, rather than a publicly supported charity, this Grant is subject to the "expenditure responsibility" requirements contained in the Treasury regulations Under these regulations, the Doris Duke Charitable Foundation is required to obtain certain written commitments from the Newport Restoration Foundation before making payment of the Grant funds By signing this letter, you agree on behalf of the Newport Restoration Foundation to the following specific obligations with respect to this Grant

- (1) To repay any portion of the amount granted as well as income earned thereon which is not used for the purposes of the Grant stated above,
- (2) From the time the Grant is made or any portion of the Grant is received until it is fully expended or otherwise terminated, to submit a full and complete annual narrative and financial reports and a final report upon completion of the grant period, attested by the responsible financial officer of your organization or a certified public accountant, within a reasonable period of time after the close of your annual accounting period on the manner in which the Grant and income earned thereon are spent, compliance with the terms of the Grant, what was accomplished by the expenditure of funds (including a description of the progress made in accomplishing the purposes of the Grant),
- (3) To report the Grant separately on your books of account and to charge expenditures made in furtherance of the Grant purposes against the Grant
- (4) To maintain written records of receipts and expenditures adequate to enable the use of the Grant funds to be checked readily and to make your books, records and other information available for the Doris Duke Charitable Foundation's inspection at reasonable times, which we believe necessary to keep us fully apprised of the status or use of the Grant or income arising there from, including any information regarding the ultimate effect of the Grant, whether or not required under the terms of section 4945 of the Internal Revenue code of 1986, as amended (the "Code"),

Mrs Marion Charles

- (5) To keep these records of receipts and expenditures and copies of reports submitted to the Doris Duke Charitable Foundation for at least four years after completion of the use of the Grant funds, and
- (6) Not to use any of the Grant or income arising there from,
 - (a) To carry on propaganda, or otherwise attempt to influence legislation (within the meaning of section 4945(d)(1) of the Code),
 - (b) To influence the outcome of any specific public election, or to carry on, directly or indirectly, any voter registration drive (within the meaning of section 4945(d)(2) of the Code),
 - (c) To make any grant which does not comply with the individual grant requirements of section 4945(d)(3) of the Code or the organization grant requirements of section 4945(d)(4) of the Code, or
 - (d) To undertake any activity for any purpose other than one that is charitable, scientific, literary, educational or for the prevention of cruelty to animals, or as defined in section 170(c)(2)(B) of the Code

In the event that you violate the terms of this letter agreement by using any portion of this Grant or any income thereon for purposes other than the purpose of the Grant as previously set forth in this letter, you agree that you will refund to the Doris Duke Charitable Foundation the full amount of the Grant and pay over to the Doris Duke Charitable Foundation any additional amount which may be necessary to effect a correction under section 4945 of the Code

The foregoing conditions are intended to comply with obligations under United States law to make reasonable efforts and establish adequate procedures to see that grant funds are spent solely for the purposes for which they are granted, and to obtain full and complete records on how grant funds have been expended. Changes in United States laws, or in regulations interpreting them, may require the Doris Duke Charitable Foundation to ask that more detailed reports be submitted or that other steps be taken. The Doris Duke Charitable Foundation will promptly inform you of any such changes, and by signing this letter you indicate your agreement to provide such additional information and comply with such requests.

The Newport Restoration Foundation also agrees that no later than the end of its first taxable year after the taxable year in which it receives the Grant, it will make a qualifying distribution out of corpus, as defined in section 4942 of the Code, equal to the value of the Grant, and, within such time period, the Newport Restoration Foundation agrees to provide adequate records or other sufficient evidence to the Doris Duke Charitable Foundation to demonstrate that this distribution has been made. Such records or evidence will state that the qualifying distribution has been made and will specify (i) the names and addresses of the recipients of any such qualifying distribution and the amounts paid to each, (ii) the details concerning the payment of any operating expenses

which are a part of such qualifying distribution and (iii) the details concerning any operating expenses paid during any of the preceding five years, which the Newport Restoration Foundation elects pursuant to Treas. Reg. 53.4942(A)-3(c)(2)(iv) to treat as a current distribution of corpus in order to make such qualifying distribution. Such records or evidence will also state that the qualifying distribution would be treated as a distribution of corpus under section 4942 of the Code if the Newport Restoration Foundation were not an operating foundation.

If this letter and its attachment correctly set forth your understanding of the arrangements made regarding this Grant, please countersign the letter and return it to the Doris Duke Charitable Foundation.

All of the grant funds have been spent for DDFIA's operating expenses, and no portion of the grant funds has been diverted from such purpose

In addition, in the letter dated August 15, 2008, I represented that before the end of 2007, DDFIA would make a qualifying distribution out of corpus as defined in Section 4942 of the Internal Revenue Code, in the amount of \$5,729,786 and that I would provide DDCF with adequate records or other sufficient evidence to demonstrate that this distribution has been made.

As described above, all of the grant funds were spent for reasonable and necessary administration expenses to accomplish DDFIA's charitable purposes, which are qualifying distributions. Therefore, a qualifying distribution was made of the entire value of the grants in 2007

Since DDFIA has otherwise made qualifying distributions equal to the amount of its minimum investment return, this distribution would be treated as a distribution out of corpus if DDFIA were not a private operating foundation

Dear Mrs. Spero:

In 2007, the Doris Duke Charitable Foundation ("DDCF") made grants totaling \$11,859,522 to Duke Farms Foundation ("DFF"). By a letter dated August 15, 2008, I agreed on behalf of DFF to submit certain reports to DDCF for each year during which any grant funds remained unspent and a final report for the year in which all of the grant funds were spent. Since all of the grant funds were spent during 2007 the year in which they were granted, this is both a first and final report.

Name and address of grantee:

Duke Farms Foundation
80 Route 206 South
Hillsborough, NJ 08844

Purpose of Grants:

To be used for DFF's general operating expenses. Property owned by DFF is used for a charitable purpose since DFF maintains and operates a botanical garden, which is open to the public, and it protects endangered species of all kinds, both flora and fauna.

The following table contains the date of payment of each part of the grant that was spent in 2007 and a description of how the grant was spent by DFF:

<u>Date of Payment</u>	<u>Amount of Grant</u>	<u>Purpose for which Grant was Used</u>
1/31/07	\$1,376,131	Employee Related Expenses; General Admin Expenses; Program Related Expenses; General Operating Expenses; Investment Expenses; Capital Expenditures.

11/30/07	529,464	“ “
12/31/07	\$2,890,461	“ “

All of the grant funds have been spent for DFF's operating expenses, and no portion of the grant funds has been diverted from such purpose.

In addition, in the letter dated August 15, 2008, I represented that before the end of 2007, DFF would make a qualifying distribution out of corpus as defined in Section 4942 of the Internal Revenue Code, in the amount of \$11,859,522 and that I would provide DDCF with adequate records or other sufficient evidence to demonstrate that this distribution has been made. As described above, all of the grant funds were spent for reasonable and necessary administration expenses to accomplish DFF's charitable purposes, which are qualifying distributions. Therefore, a qualifying distribution was made of the entire value of the grants in 2007.

Since DFF has otherwise made qualifying distributions equal to the amount of its minimum investment return, this distribution would be treated as a distribution out of corpus if DFF were not a private operating foundation.

**Doris Duke Charitable Foundation
Grants Process
December 31, 2007**

The mission of the Doris Duke Charitable Foundation (DDCF) is to improve the quality of people's lives through grants supporting the performing arts, environmental conservation, medical research and prevention of child maltreatment, and through preservation of the cultural and environmental legacy of Doris Duke's properties.

Grant Development and Approval

Grants are either competitively awarded through Request for Proposal (RFP) processes or are initiated by the Foundation. Grants and proposed grant competitions are presented to the Board of Trustees at one of the four meetings that take place during the year. All grants must be approved by the Board of Trustees with the exception of the President's Planning Fund, Trustee recommended grants, and grants to be selected through competitive, peer-reviewed program initiatives. In the latter case, the Board approves a total amount for the program initiative and delegates to DDCF's President Joan Spero the authority to approve grants recommended through the peer-review selection process. Authority for President's Planning Fund grants is sought from the Board each November for the following year. PPF grants must be for purposes that in keeping with the mission of the Foundation; the amount of these grants is limited both on a per-grant basis (\$50,000 or less) and cumulative annual basis (\$820,000 in 2007). PPF grants are developed by staff, undergo routine due diligence review, and are approved by the President. Finally, in 2007, one Trustee of the Foundation recommends grants totaling up to \$100,000 annually for projects that are consistent with the mission of the Foundation and a second Trustee awards grants up to \$126,078, the projects and organizations must be vetted by staff and approved by the Board Chair prior to grant award.

Joan Spero (President) is actively involved in the entire grants cycle. Prior to performing all the research on a potential grantee, the Program Director discusses the organization or proposed project with Mrs. Spero. Based on this discussion, the research will begin or the project will be set aside.

Once a completed application packet is returned to DDCF, the appropriate Program Director or their designated staff members reviews it to ensure that the organization meets DDCF requirements and that the program description is in line with DDCF's mission and program objectives. The application packet is also reviewed by the Grants Manager and Program Associate for Grants Administration to ensure that all the proper documentation has been received and the organization is a qualified not-for-profit. Each proposed grant is entered into GIFTS for Windows, the Foundation's grants management database.

Once all the submitted application information has been reviewed and approved, the Program Director compiles a docket for presentation to the Board of Directors that describes the potential grantee organization and its proposed use of funds. Prior to the Board meeting, the Program Director presents the information to senior management and program staff at a Program Review session and at a "practice" session for the Board meeting. During the meeting the senior staff critiques the written summary and the presentation, and the appropriate changes are made.

At the next Board meeting, the docket will be presented to the Board for their approval. The Board's decisions regarding proposed grants are documented in the Board of Director Minutes. After a grant has been approved by the board, Grants Administration staff records the grant as "Approved" in GIFTS and the GIFTS system assigns a grant number. Grants Administration then sends a report detailing the grants approved to Finance and the Senior Accountant/Assistant Treasurer prepares a journal entry to record the liability.

Grant Award

Once the Board approves the grant, the appropriate DDCF staff member notifies the organization by telephone. The Program Associate for Grants Administration generates a draft grant agreement using the appropriate GIFTS template (grant agreement templates are stored in GIFTS and merged with the GIFTS grant data to create the grant agreement). The Program Director and Grants Manager review and refine the grant agreement until they are satisfied that it is complete. Once the Grants Manager has approved the grant agreement and award letter and verified that all grant documentation is in order, the agreement and award letter is forwarded to the President for signature.

After the President signs the award letter and the grant agreement, the award package is sent to the grantee organization. The grant agreement specifies the total funds awarded, payment schedule, use of the funds, performance and financial reporting requirements, and various other disclosures regarding DDCF's rights (for example, to publicly announce the grant). If the grantee organization agrees to the terms of the agreement they will sign and return the agreement to the DDCF (two originals of the agreement are sent and the grantee organization retains one original for their records). When the fully executed grant agreement is received by the Foundation, the first grant payment is initiated by Grants Administration and forwarded to Finance for processing.

Grant Payment Process

Once the Grants Manager has determined that all requirements for a grant payment have been met, the grant payment process is initiated.

The Grants Assistant confirms that ACH instructions are still correct and updates GIFTS record if necessary. Then, Grants Administration exports the grantee data from GIFTS to an Excel spreadsheet which is emailed to the Investment Accountant for upload to the Lawson Process Flow. Once the information is uploaded into Lawson and released (with links to the fully executed grant agreement & the payment authorization) an e-mail is sent to the applicable approvers, alerting them that an invoice requires approval in the Lawson system. Once the approvals have been made, an ACH file is generated via Lawson & transmitted to Bank of America via a secured transmission website. The transmission is then verified with the bank via a phone call to an ACH automated phone system. Once the payment has been sent, the grantee and appropriate program staff are alerted by email that the ACH has been executed.

Grant Monitoring

Within each grant agreement the grantee agrees to provide DDCF with certain interim and final financial and program performance information. The time period for this submission varies from grant to grant. To ensure that the DDCF funds are being used in accordance with the grant agreement, the grantee is required to submit the following information.

- A narrative describing program accomplishments, challenges, and future plans
- An assessment of the project to date (have the original goals been achieved, were any program refinements necessary?)
- Copies of any literature, reports, or media coverage that was generated as a result of the grant
- A copy of the most recent audited financial statement
- A budget to actual comparison of use of the grant funds (indicating any budget modifications and explanations for budget overages)
- If a multi-year grant, a revised budget and budget narrative for the upcoming year (if warranted)
- The grantee is also required to notify DDCF of any changes to their board, senior staff, or tax-exempt status.

This information is required whether the grant period is one year or multi-year. If the grant is multi-year, the subsequent disbursements will not be made until this information has been received, reviewed, and approved by DDCF.

This information will be submitted to DDCF and reviewed by the Program Director and the Grants Manager to ensure that the grantee has been using DDCF's funds for the purpose outlined in their grant agreement. This includes determining if certain project milestones have been met, whether funds have been spent reasonably and within program guidelines, and whether the project has benefited the items/individuals targeted in the agreement. Additionally, the financial information is reviewed by the Grants Manager or Program Associate for Grants Management, and either the Program Director or Program Officer – and, as necessary, by a member of the Finance Department – to ensure that the grantee is not experiencing any financial difficulties.

Once this information has been evaluated and approved by DDCF, the payment request is prepared for multi-year grants or, for single year grants, the file will be closed.

Computer information systems

The Foundation uses GIFTS for Windows, a grants management database system purchased from MicroEdge, Inc., to track detailed information about each application for funding and each grant approved. All applications received are entered into the database and their status is tracked according to their progress through the review, approval or declination, and disbursement and reporting process. The database is also used to generate grant related documentation, including (but not limited to) grant award letters and grant agreements, payment request memoranda, and reporting review checklists. GIFTS also provides reports that enable the user to project the upcoming disbursements, determine when financial or other reporting information is required, track grant expiration, and track activities related to each grant.
